9:14 PM i just got done drinking with work girls
always a bad idea
i knew it going in
i hate people
me: are you still at work?
Catalina: i just came back
from drinking
9:15 PM **me**: you gonna work out or something?
Catalina: no
i should
im too drunk and angry
me: why angry now?
Catalina: actually i should work out cause im angry
and in the fucking trip[le digits
im disgusted with myself
me: you were serious about the triple digit thing?
Catalina: sort of
me: that's pretty wacky
Catalina: no it isnt
9:16 PM im short
and im better
better than triple digits
me: too bad you're always too drunk to remember all the extraordinarily
complimentary things I've told you
Catalina: if you were a girl you would not be in the triple digits
me: you're not getting enough compliments
9:17 PM **Catalina**: compliments are stupid
me: yeah, because I've been a junkie for most of the past year and a half
not from me
I'm very good at giving them
Catalina: oh
me: they were sincere in your case
Catalina: i should have gone over to your place tonight instead of hanging out

with idiotic girls
who watch stupid tv
me: lol network television
yeah, you should have
9:18 PM **Catalina**: we watched some show about a matchmaker
it was sad
me: wow
Catalina: it made me feel suicidal
me: we'll get you a couple of non-retarded female friends
Catalina: apparently this woman sets up women with millionaires
it was so sad
9:19 PM **me**: My mom has forced me to watch things along those lines when I come to visit
Catalina: and her head was fucked up looking
me: the bachelor
Catalina: haha
me: that's a shame
why would they put a girl with a fucked-up head on television?
I finally finished the damned VF article, anyway
Catalina: i dont know
she wasnt a girl
9:20 PM **me**: and actually got Scott to clean up the place today
Catalina: good
what a productive day
me: in exchange for the $900 worth of fucking rent he owes me
he gave me $20 today
9:21 PM he's going to get eaten alive as soon as he's forced to leave
also, I'll be staying with Mirna starting on the 26th
Bowery area
then we'll move into the Williamsburg place
9:22 PM give me a call at some point, I want to talk to someone who's not a whiny fucking faggot
Catalina: yes
maybe ill see you this weekend
9:23 PM **me**: you should
Catalina: yeah, i will
im going home now
me: word, yo

Catalina: before i kick and break something in this office
yeah
me: channel your anger
Catalina: losts of fun

into what?
me: rage
9:24 PM **Catalina**: hahaha

me: I know, I heard
Catalina: lol i should type

me: adios
